

TENUTA CAPPELLINA WINES

At the southernmost tip of the Chianti Clasico region, you will find the organic winery of Tenuta Cappellina. Here, perched on warm south facing slopes, we enjoy spectacular growing conditions and views across the whole of southern Tuscany.

Our philosophy is to make wines in an environment where biodiversity is promoted, where the natural rhythm of the seasons are embraced and where the vineyards are in perfect balance with nature.

Our small team have been with us for many years and it is their passion for wine-making that you will taste in every mouthful of our wines. We hope you enjoy them.

CASO DEL CAPO | 2017

IGT (INDICAZIONE GEOGRAFICA TIPICA)

Our experience in the vineyards increases every year, as does the level of tannin ripeness we achieve. This also means we can dare a little more each year in terms of yields. In fact we have come to the conclusion that it is almost better to allow the vigour in our vineyards to blow off steam, rather than cut back excessively. The result are softer, easier wines, more suited to the current consumer taste. Casa del Capo is our everyday "Super Tuscan". Wonderfully fresh and drinkable with an aromatic touch, it's main feature is the wonderful Sangiovese red-cherry fruit which is why 1 glass is never enough!

HARVEST NOTES

2017 was one of the most challenging vintages in our history. As we are at low altitude, we have more trouble in very dry and hot summers, which is exactly what we faced in 2017. In this year we only made Casa del Capo, using our best grapes that would normally go into our top wines. Therefore we managed once more to make an excellent, fresh, fruity and drinkable Casa del Capo.
